Re: ***ValveTech, Inc. v. Aerojet Rocketdyne, Inc.***
Case No.: 6:17-cv-06788-FPG-MWP

Dear Magistrate Judge Pedersen:

Pursuant to the Court's Amended Scheduling Order of December 18, 2020, Document No. 149, Defendant Aerojet Rocketdyne submits this letter to request a one-week extension of the deadline to complete expert depositions of Defendant's experts, Mr. Alan Minick and Mr. David Crisalli. Defendant contends a limited extension of the deadline is necessary in order to accommodate the availability of the witnesses. Plaintiff ValveTech, Inc. consents to Defendant's request, and the parties have agreed to all dates for the expert depositions pending the Court's review of the proposed extension. This is the parties' fourth request to extend this deadline. The parties also agree that no other case deadlines are impacted by this request, including the June 14, 2021 deadline for the filing of any dispositive motions.

Event	Current Deadline	Proposed Deadline
Completion of Expert Depositions	May 14, 2021	May 21, 2021
Filing of Dispositive Motions	June 14, 2021	June 14, 2021 (same)
